SUBJECT: Administrative Modification #10 to the 2009 Federal Transportation Improvement Program

Dear Mr. Aljabiry:

Enclosed is the documentation for Administrative Modification #10 to the 2009 Federal Transportation Improvement Program (FTIP). The SJCOG Executive Director has the authority to approve all administrative modifications. State approval is required; however Federal approval is not required. The proposed administrative modification is consistent with the 2007 Regional Transportation Plan as amended. The proposed administrative modification is also consistent with the 2007 Public Participation Plan adopted by SJCOG.

FTIP Modification #10 amends the following projects in the 2009 FTIP:

- (1) San Joaquin Regional Transit District, Hybrid Diesel Electric Bus Replacement Project (CTIPS ID# 212-0000-0279) decrease \$300,000 in 5308 Clean Fuel Formula Program funds in FFY 08/09 (FTA Section 5308 Funds were added inadvertently to this project).

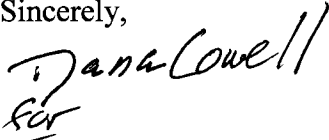

The required documentation is enclosed.

CTIPs reports
Attachment 1

According to Table 1, these changes are minor changes: e.g. changes consistent with Caltrans' administrative procedures and as amended the 2009 FTIP is financially constrained. SJCOG certifies this administrative modification does not impact the current Air Quality Conformity determination or timely implementation of TCM's. This amendment relies on previous conformity analysis and does not require a conformity re-determination.

If you have any questions regarding this modification, please contact Sam Kaur of my staff at (209) 468-3913.

Sincerely,

A handwritten signature in black ink that reads "Dana Cowell". The signature is written in a cursive style. Below the name, there is a small, illegible mark that appears to be a signature or initials.

ANDREW T. CHESLEY
Executive Director
