Subject: Administrative Modification Amendment No. 6 to the 2025 Federal Transportation Improvement Program

Dear Kien Le,

Enclosed is the San Joaquin Council of Governments (SJCOG) Administrative Modification No. 6 to the 2025 Federal Transportation Improvement Program (FTIP). The 2025 FTIP is the programming document that identifies four years (FFY's 2024/25 - 2027/28) of federal, state and local funding sources for projects in San Joaquin County.

The 2025 FTIP Administrative Modification No. 6 addresses the following change:

- **(212-0000-0745): SR 99/120 Phase 1B:** Program Measure K to match Earmark.

These programming changes are consistent with the approved Administrative Modifications / Amendments Guidelines and Procedures. This administrative modification does not add federal programming capacity that relies on the State's federal programming capacity.

With the modifications identified in this document, the SJCOG 2025 FTIP remains financially constrained. SJCOG certifies that this modification contains exempt projects and does not require a conformity re-determination. SJCOG also certifies that this modification does not impact the timely implementation of any TCMs and that no project included in this modification is included in any other amendment or modification to the FTIP currently out for public review or approval.

Under the delegated authority received from Caltrans, I approve this administrative modification to the Federal Statewide Transportation Improvement Program (FSTIP). If you have any questions regarding this modification, please contact Ty Phimmasone at (209) 235-0389.

Sincerely,

DIANE NGUYEN
Executive Director
