s p e a k e r s

Barbara Alberson
Sr. Deputy Director,
Policy & Planning
SJC Public Health Services

Lianne Dillon
Deputy Program Director,
Public Health Institute
CA Strategic Growth Council

Michael Nguyen
Public Policy Analyst
Health Plan of San Joaquin

Data shows that air quality, walkability, and access to active transportation all impact the positive and negative health of our communities, and in some cases are the cause for asthma, disease, and higher mortality rates. Join San Joaquin Council of Governments and our speakers to learn about the data around these impacts and how its affecting our residents.

July 18, 2017
11am to 1pm

SJCOG Board Room

Don't miss out!

555 E Weber Ave • Stockton, CA • 95202

Questions? Summer Anderson | sanderson@sjcog.org | 209.235.0452
