**Subject: Administrative Modification #29 to the 2017 Federal Transportation Improvement Program (FTIP)**

---

Dear Mr. Aljabiry,

Please be advised that the San Joaquin Council of Governments (SJCOC) made changes to the 2017 FTIP. The SJCOC Executive Director has the authority to approve all administrative modifications. The proposed modifications are consistent with the 2014 Regional Transportation Plan (as amended) and Public Participation Plan (as amended) adopted by the SJCOC Board of Directors. SJCOC FTIP Administrative Modification #29 amends the costs to the following projects in the 2017 FTIP:

- CTIPS ID 212-0000-0299: Lodi Transit Facility Upgrades – Increases Federal Transit Administration (FTA) 5339 funding by \$390,429 in FY 17/18.

With the modifications identified in this document, the SJCOC 2017 FTIP remains financially constrained. SJCOC certifies that this modification contains exempt projects and does not require a conformity re-determination. SJCOC also certifies that this modification does not impact the timely implementation of any TCMs and that no project included in this modification is included in any other amendment or modification to the FTIP currently out for public review or approval. The following required documentation is enclosed:
